Sir:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicants bring to the attention of the Examiner the document(s) listed on the attached form PTO-1449 which were cited in the International Search Report (ISR) in PCT application PCT/US02/41862, which claims priority and corresponds to this U.S. patent application. The ISR, a copy of which is enclosed herewith, was mailed on 19 November 2003, which is less than 3 months from the filing date of this Information Disclosure Statement.

A copy of the listed document(s) is/are attached.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art". If the Examiner applies a document as prior art against any claim in the application and Applicants determine that the cited document does not constitute "prior art" under United States law, Applicants reserve the right to present to the office the relevant facts and law regarding the appropriate

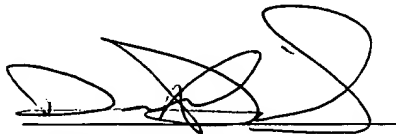

status of the document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

The Commissioner is authorized to charge payments of any fees required under 37 CFR 1.17(p) and (i) to Deposit Account No. 19-1346.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Daniel N. Daisak', written over a horizontal line.
